

Curriculum Curator & Dance Instructor

Academie de Ballet Classique is a small business in Bend, OR.

We are professional, creative, collaborative and our goal is to spark creativity and empower excellence by teaching and serving elegantly. We are proud to be a part of the Royal Academy of Dance family, joining studios around the world in 82 countries. Eager students enjoy elegant dance education to ignite their limitless creativity and boundless energy. ABCBend dancers are truly special, learning responsibility and accountability, all while enjoying their passion for dance. The ABCBend Faculty brings decades of professional dance performance, teaching experience and certifications .

Our work environment includes:

- Growth opportunities
- On-the-job training
- Safe work environment

Seeking a knowledgeable ballet teacher wanting to expand responsibilities beyond teaching expertise.

ROLE MISSION: Custodian of ballet curriculum for a seamless program that takes students from ABCBend's Born to Dance to Royal Academy of Dance Grade 8 Award. With impeccable knowledge of teaching pedagogy, to deliver an enchanting experience for faculty and students. Program integrity is assured with advance planning and coordinating with faculty on matters concerning exam preparation, student progression and teacher assignments.

INTENTIONS - Curriculum Curator

- Be the beacon of excellence for faculty, guiding and assisting as needed, understanding the necessary criteria for successful completion of RAD examinations;
- Set season schedules and teacher assignments;
- Exam preparation & planning - organizing candidate sets;
- Assist and nurture teachers, as they find their creative way to reach the Royal Academy of Dance standards.

INTENTIONS- Dance Instructor

- Shine the spotlight on each uniquely special child and adult, giving individual attention every lesson. Our sole responsibility is to prepare children for the wider world, whether that be professional dancer or performer or space scientist - all are important aspirations.
- Guiding, encouraging each dancer to achieve their best. Genuine words of encouragement focusing on what is good, correct – even if it's only effort, and quality a bit lacking
- Work to uncover and enhance your talents, seeking ways to include them in your daily life, both personal and within the studio potential with continual personal and professional enhancement for excellence.
- If not holding the RAD Registered Teacher Status, or other organization's certification, be willing to learn and/or achieve the requirements of certification. Studio provides financial assistance.
